FORM

Dec. 13, 1965

Dear Major Hoisington, II,
I am enclosing this letter
with my F. J. D. Form 164. I
would like to tell you that
I saw 10 V. F. O. in the past
3 days. As you know they have to be
Radio Active. They can not be a
meteorite or meteor, because they
burn out fast. What would
you think they are?

Sincerely,
~~XXXXXXXXXX~~

P. S. On the F. J. D. Form 164
at the top it says that you may
not put my name in the papers,
publications, etc. Well you have my
permission to do so. I would like
it in all the papers in the
United States if you put in the
papers, statements, and publications etc.

U.S. AIR FORCE TECHNICAL INFORMATION

This questionnaire has been prepared so that you can give the U.S. Air Force as much information as possible concerning the unidentified aerial phenomenon that you have observed. Please try to answer as many questions as you possibly can. The information that you give will be used for research purposes. Your name will not be used in connection with any statements, conclusions, or publications without your permission. We request this personal information so that if it is deemed necessary, we may contact you for further details.
